

**Foundation for
Nursing Education**

Special thanks to the following individuals and friends who contributed to the NLN Foundation for Nursing Education in 2010-2011. *This is a list of contributors from March 1, 2010 to March 1, 2011.*

We have an exciting new way to give to the NLN Foundation and to our profession. Participate on the Giving Wall (www.nlnfoundation.org/givingwall) and receive recognition in the upcoming donor list.

The NLN Foundation for Nursing Education also wants to thank those who contributed to “pass the hat” at the 2010 Summit raising more than \$3,000!
